

Texas Technical Services, Inc.

New System Installations

In relation to a new system install, Texas Technical Services, Inc. will warranty both the parts and labor for a period of one (1) year.

Parts only (Box Sales)

Texas Technical Services, Inc. is not a manufacturer of the products to be supplied. Texas Technical Services, Inc. does not offer a warranty outside of the manufacturer's warranty period. The product warranty period provided by the manufacturer will be transferred to the Buyer and any defective products will be repaired or replaced in accordance with the manufacturer's warranty. Texas Technical Services, Inc. will assist with warranty issues if requested.
